SUPPORT IS OUR MISSION

Implementation of EASO support activities in practice

*Gabriel Stanescu, Plan coordinator for EASO
Operating Plan to Italy*

Trapani, 29 September 2017

EASO presence in Italy 2016-2017

Specific role of EASO in the hotspots

- Support to **pre-identification** of persons eligible for relocation and **provision of structured information on relocation**
- Asylum seekers of eligible nationalities are **informed** of the relocation programme and immediately **channelled into a dedicated procedure**
- **Information materials, including child-friendly ones**, developed in cooperation with the Ministry of Interior and the European Commission.
- Focus on the **relocation programme**, its advantages and conditions (registration, fingerprinting, application for asylum in Italy, steps to follow)
- Priority to be given to **vulnerable persons and persons with special needs**

Other activities – technical support

- Installation of mobile offices (containers) and provision of technical equipment

Other activities – developing standards

- EASO participation in working group developing hotspots SOPs, led by the Ministry of Interior

Procedure Operative Standard (SOP) - Hotspot

congiuntamente le prescritte attività

L'Hotspot è un modello organizzativo preposto alla gestione di grandi arrivi di persone che può operare in qualsiasi area territoriale prescelta.

In Italia attualmente sono state individuate 4 aree Hotspot (*Lampedusa, Trapani, Pozzallo e Taranto*) allestite per consentire le operazioni di prima assistenza, identificazione e somministrazione di informative in merito alle modalità di richiesta della protezione internazionale o di partecipazione al programma di relocation

In ciascuna area Hotspot è presente un team di esperti nazionali e di rappresentanti delle agenzie europee (EASO, Frontex, Europol), che svolgono
