Subject: Call for the Consultative Forum feedback to EASO's Draft Work Programme 2021

Dear Members of the EASO Consultative Forum,

EASO is pleased to launch the consultation process on the Agency's Draft Work Programme 2021 as required by Article 51(4)(a) of the EASO Regulation.

This document is an extract from the Agency's Draft Single Programming Document 2021-2023, endorsed by the Management Board on 26 November 2019. It is a preliminary draft planning document, delivering the Agency's current mandate whilst transitioning towards the EUAA (European Union Agency for Asylum) Regulation based on pre-agreed operationalisation priorities. The needs-based human and financial resource planning may, however, be affected by the outcome of the EU general budget decision on the next Multiannual Financial Framework 2021-2027.

Your suggestions will be considered by the Agency's Management Board in further development of the Agency's Work Programme 2021.

I therefore invite you to provide your feedback by **30 April 2020** to Consultative-Forum@easo.europa.eu.

Yours sincerely,

Nina Gregori
Executive Director
