Disclaimer:

EUAA reserves the right to change the dates of the above-mentioned training sessions.

Participation in EUAA training sessions may be limited and restricted based on objective criteria, such as the number of participants registered for each session.

Assessments at the end of each module aim to ensure that learning outcomes have been met. Registering for assessments after taking the modules is a voluntary process.

Participants who register for assessments, but decide to withdraw for whatever reason, may do so, provided the Training NCP informs EUAA at least 8 working days before the planned assessment date.

Withdrawal after the 8-day deadline will be considered a 'no show', as will failure to attend the assessment on the day, or failure to comply with the necessary steps communicated by the Remote Invigilation Service Provider. If the learner provides justification of mitigating circumstances, this information should be communicated by the Training NCP to EUAA, at: **training-ncp@euaa.europa.eu**

Any further questions regarding this Training Plan should be directed to: **training-ncp@euaa.europa.eu** or to the country desk coordinators.
